How to Save You Money! 6 Ways to Afford Mom's Birthday

- Here are 6 creative ways to contribute as much or as little into her Birthday Pamper & PREP Bank Acct., each month (we recommend \$50.)

HOW WE SAVE YOU MONEY!

6 WAYS TO AFFORD THE VALUE PROPOSITION

THE 6 WAYS:

- 1st.** You may be willing to pay for the majority of the birthday yourself. Or you might ask a few people to help.
- 2nd.** Or you may want to sell something you don't need.
- 3rd.** You might use eBay or Craigslist to sell said items.
- 4th.** If you recycle, even \$10 a week earns you \$520 annually.
- 5th.** You might ask someone for extra work to raise money.
- 6th.** You could try crowdfunding to fund your B-day plans (see Ples page).

FOR EXAMPLE:
When just 3 individuals contribute as little as \$10. per mo., that is \$120. per person X3 = \$360.

BELOW ARE EXAMPLES OF THE VALUE OF A B-DAY PAMPER & PREP:

- 1st.** The value of this guide itself saves you hundreds of dollars, since there would be no need to hire a planner.
- 2nd.** In our monthly newsletter we provide travel discounts and PREP products. Save through our many vacation vendors.
- 3rd.** Discounts on your birthday dinner & cake at participating hotels could save you up to \$20.
- 4th.** Discounts on a Spa Day and Hotel Stay can be up to 30%.

ALL THIS IS A VALUE OF UP TO \$400 SHOULD YOU USE ALL THE SERVICES!!!

"SOME COMPANIES HAVE A PLAN IN PLACE WHERE YOU CAN EARN A TRIP OR BOUNTIES AND REWARDS PROGRAMS."

"WE ALSO PROVIDE A 2ND AND 3RD STEP TO PREP. SEE WWW.P&P.COM WE WILL BUY UP YOUR POINTS FOR YOU AT EACH REWARD LEVEL. IN THE MOST PLEASANT WAY EVER, A B-DAY."
